Commitment to the Market

When you register as a vendor at the Normandy Park Farmers Market (NPFM), you express your intention to actively participate and contribute to our community marketplace. In return, NPFM commits to providing you with a designated booth spot and actively promoting the market to attract a steady stream of customers.

Seasonal Participation

The success of the market and its vibrant community atmosphere rely heavily on the consistent presence of our diverse vendors. Therefore, we expect all registered vendors to commit to participating for the entire season, ensuring a reliable and rich market experience for our visitors.

Attendance Policy

We understand that unexpected circumstances may arise. If you are unable to attend on a scheduled market day, we request that you notify us at least one week in advance. This allows us sufficient time to reallocate your spot to another vendor, maintaining the fullness and variety of the market. Exceptions will be made for medical emergencies, where notification should be given as soon as possible. No refunds for missed weeks.

Your commitment is crucial not only for your success but for the overall health and vibrancy of the market. Consistent participation fosters a dependable environment where customers come expecting a full and engaging market experience. Together, we can create a thriving space that benefits all members of our community.
